

Convert to Euro

This function is available under **Accounts/Year End/Convert to Euro**. This function was used for converting the German Marks to €.

A screenshot of a software dialog box titled "Convert to EUR". The dialog has a green title bar with a close button (X) on the right. The main area is light gray and contains several input fields and checkboxes. On the right side of the dialog, there are two buttons: "OK" with a green checkmark icon and "Cancel" with a red X icon. The "Factor" field contains the value "1,955830" with the text "(the value of 1 EUR in the old currency)" below it. There are seven checkboxes, all of which are checked: "Article (normal)", "Accounts (normal)", "Vouchers (norma)", "Cash register (normal)", "Cash book (normal)", "Cash register archive (usually not)", "Timetable (important: only once!)", and "Card values (important: only once!)". Below these is a section for "Payment method for the old currency:" with two input fields: "Abbreviation:" containing "dm" and "Description:" containing "Cash payment DM".

Convert to EUR

Factor:
(the value of 1 EUR in the old currency)

Article (normal)
 Accounts (normal)
 Vouchers (norma)
 Cash register (normal)
 Cash book (normal)
 Cash register archive (usually not)
 Timetable (important: only once!)
 Card values (important: only once!)

Payment method for the old currency:
